Claim	Compatible explanations	Evidence sufficient	Resolved decision	Opposite-decision witness
Prescribed force; observed stress 50 MPa				
stress	H1, H2	yes ●	accept	none
deflection	H1, H2	no ○	ambiguous	H1 / H2
Prescribed displacement; observed stress 50 MPa				
stress	H1	yes ●	accept	none
deflection	H1	yes ●	accept	none

Sufficient: every compatible explanation gives the same correctness decision.
